Collection guide

Made for your next collection.

Explore fleece, fur, thermals, structured knits and loopers for winter collections and seasonal layering. Choose the weight, construction and finish to suit your garment.

EXPLORE THE RANGE

Cotton	7 fabrics	**p. 03**
Polycotton	4 fabrics	**p. 07**
Polyester & Spun	11 fabrics	**p. 09**
Fake Cotton	2 fabrics	**p. 15**

DESIGNS & VARIATIONS

Each fabric name appears once. Two design or variation photographs are shown where distinct examples are available. Contact us for further designs, colours and variations.

HOW TO ENQUIRE

Share the fabric reference and Design 01 or Design 02, along with GSM, width, composition, colour and quantity. Prices, MOQ and delivery are confirmed with your quotation.

PRODUCT DETAILS

Specifications follow website listings and may vary by design. "Confirm" flags conflicting values; "on request" indicates missing details. Widths may be tubular or open width.

SEASONAL SELECTION

Summer includes lighter and year-round knits; winter includes fleece, thermals, loopers and layering fabrics. Suitability depends on final GSM and finish. Approve a physical sample for colour and quality.
